Kiosks: An Rx for Medical Records

The days of medical facilities storing thousands of manila folders stuffed with paper are coming to an end. Electronic health records are here and now, and kiosks are the best way to unlock their potential. [Here's why.](#)

And the Survey Says...!

More than ever, businesses appreciate the value in getting quality customer feedback. What's the best way to collect it? [Here's how](#) one agency increased responses tenfold by using kiosks.

Olea Kiosks. Custom, not customary.

Tell most kiosk companies about your project and their response is, "Yeah. We got a box for that."

Not so with Olea Kiosks. Every custom opportunity is a chance for our artists, designers and engineers to collaborate with the client to develop innovative, high-ROI and world-class solutions.

Call us today at 800-927-8063 to begin the brainstorming process for your custom Olea Kiosk project, or email info@olea.com. And be sure to [check out our work online](#).

Hotel Kiosks Help Secure Guest Data

While many people are diligent to protect their digital footprint at home, caution on the road tends to be forgotten while at the same time risks increase dramatically. Kiosks can help shield guests from ID theft when they're at their most vulnerable. [Learn more here.](#)
